DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable over the prior art of record, because the prior art of record does not disclose expressly "a transformer including a first iron-core half and a second iron-core half, the first iron-core half including at least one primary winding, the first iron-core half being situated on the slide, the primary Winding including a cable lying in the guide rail, the second iron-core half including at least one secondary winding, the second iron-core half being situated on the seat, the first and second iron-core halves being situated relative to each other for the at least one of the data and energy transmission". Along with the remaining features of the claim

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
